URGING THE MAYOR TO URGE THE PUBLIC UTILITIES COMMISSION TO RESTORE CERTAIN SERVICE OF THE #66-QUINTARA BUS LINE.

WHEREAS, On September 8, 1981 the Board of Supervisors of the City and County of San Francisco refused to disapprove recommendations of the Public Utilities Commission initiating changes in various bus routes as set forth in their Resolution No. 81-0322, dated August 24, 1981; and

WHEREAS, It has been since brought to the attention of the Board of Supervisors that certain curtailment in service of the #66-Quintara bus line on 30th Avenue, between Quintara and Vicente Streets, will cause undue hardship for many San Franciscans, among them (a) a large number of senior citizens who rely on that portion of the bus route for direct transportation to the U. C. Medical Center and the downtown area; (b) the Salvation Army and their women who attend its Rehabilitation Center; (c) the parents and families of emotionally disturbed and learning-disabled children who attend Edgewood Children's Home; (d) the parents and families of handicapped persons attend Lucinda Weeks School; and, (e) parents of children attending the Montessori School, all of which establishments are located at the original end of the #66 bus line; and

WHEREAS, Use of Muni Metro as an alternate means of transportation is difficult, if not impossible, for many of the impacted citizens because of the long blocks to be transversed to Taraval Street, the nearest boarding point for the Muni Metro; and

WHEREAS, It was further pointed out to the Board of Supervisors that this curtailment in the #66-Quintara bus service is creating an acute problem for many of the persons whose physically handicapped and emotionally disturbed children attend one of the special schools in that area, and who rely upon that bus route to provide transportation to and from the school because many such parents do not have access to an automobile; now, therefore, be it

WHEREAS, The proposed route of the #48-Quintara/24th Street bus line provides for a route through the West Portal Station which will cause additional traffic problems in an already congested area, and create possible environmental problems in the immediate residential neighborhoods; and

WHEREAS, No community interests will be served by running the bus line from that Station to the eastern side of the fence at the Great Highway; and

WHEREAS, It has been suggested to the Board of Supervisors that the terminus of the #48-Quintara/24th Street bus line could be changed to the Forest Hills Station where there is now access to the Muni Metro system, and where there is already a long-established bus zone, with a turn-around area; and

The Trustee in establishing such rate shall on September 1, 1991, obtain quotations from each of three national investment dealers on banks having a capital (exclusive of borrowed capital) and a surplus of not less than $100,000,000. The Trustee shall select the middle rate if there are three quotations or the rate upon which any two or more of such dealers or banks agree and shall immediately notify in writing any registered holder of the 1981 Bonds of the rate selected. The interest coupons attached thereto shall be numbered in consecutive numerical order from 1 up in the order of their respective maturities. Each such coupon shall represent six months' interest on the coupon 1981 Bond to which it is attached.

Each fully registered 1981 Bond shall bear interest from the interest payment date next preceding the date of authentication and registration thereof unless it is authenticated and registered as of an interest payment date, in which event it shall bear interest from the date thereof, or unless it is authenticated and registered prior to April 1, 1982, in which event it shall bear interest from October 1, 1981; provided, however, that if, at the time of authentication and registration of any fully registered 1981 Bonds, interest is in default on outstanding 1981 Bonds, such fully registered 1981 Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the outstanding 1981 Bonds. Payment of the interest on any fully registered 1981 Bond shall be made to the person appearing on the bond registration books of the Trustee as the registered owner thereof, such interest to be paid by check or draft mailed to the registered owner at his address as it appears on such registration books or at such address as he may have filed with the Trustee for that purpose.

The 1981 Bonds shall be subject to redemption as provided in Article IV and Section 5.04 of the Resolution.

The Board hereby directs that there shall be included in each of the 1981 Bonds a certification and recital that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in

the issuance of said 1981 Bond, do exist, have happened and have been performed in due time, form and manner as required by law, that the 1981 Bonds are issued pursuant to the Act, and that the amount of said 1981 Bonds, together with all other obligations of the City does not exceed any limit prescribed by this Resolution, the Charter of the City or statutes of the State of California, and such certification and recital shall be in substantially the form set forth in the forms of Bonds prescribed in Section 2.03. The 1981 Bonds shall be deemed to be issued, within the meaning of this Resolution, whenever the definitive 1981 Bonds, or any temporary 1981 Bonds exchangeable therefor, have been delivered to the purchasers thereof, and the purchase price thereof received, or in the case of 1981 Bonds to be refunded through exchange, whenever such exchange has been made.

SECTION 13.04. Form of Bonds. 1981 RESIDENTIAL REHABILITATION

REVENUE BOND

CITY AND COUNTY OF SAN FRANCISCO, a chartered city and county duly organized and existing under and pursuant to the Constitution and laws of the State of California (herein called the "City"), for value received, hereby promises to pay (but only out of the Revenues hereinafter referred to) to the bearer hereof, on October 1, ____ (subject to any right of prior redemption hereinafter mentioned), the principal sum of Five Thousand Dollars ($5,000), together with interest thereon from the date hereof until the principal hereof shall be been paid, at the rate of _____ per cent (_____%) per annum, payable semiannually

on October 1 and April 1 in each year. [On Bonds maturing from October 1, 1992 to October 1, 2001, continue with the following: ", until October 1, 1991, from which date the rate of interest payable on the outstanding principal shall be a rate determined as set forth in the Resolution."] Interest due on or before maturity of this Bond shall be payable only upon presentation and surrender of the annexed interest coupons as they severally become due. Both the principal hereof and interest hereon are payable in lawful money of the United States of America at the principal office of Bank of America National Trust and Savings Association, the Trustee of the City, in San Francisco, California.

This Bond is one of a duly authorized issue of City and County of San Francisco 1981 Residential Rehabilitation Revenue Bonds (herein called the "Bonds") of an aggregate principal amount of Five Million Four Hundred Thousand Dollars ($5,400,000), all of like tenor and date (except for such variations as may be required to designate varying numbers, maturities, interest rates or redemption provisions), all issued and to be issued pursuant to the provisions of the laws of the State of California, including the Marks-Foran Residential Rehabilitation Act of 1973, as amended (herein called the "Act"), and pursuant to Resolution No. 832-76, as supplemented, adopted by the Board of Supervisors of the City on October 25, 1976 (herein called the "Resolution"). Reference is hereby made to the

Resolution, to any resolutions supplemental thereto and to the Act for a description of the terms on which the Bonds are issued and to be issued, the provisions with regard to the nature and extent of the Revenues, as that term is defined in the Resolution, and the rights of the holders and registered owners of the Bonds and of the bearers of the appurtenant coupons; and all the terms of the Resolution and the Act are hereby incorporated herein and constituted a contract between the City and the holder from time to time of this Bonds, and to all the provisions thereof the holder of this Bond, by his acceptance hereof, consents and agrees.

The Bonds and the interest thereon (to the extent set forth in the Resolution) are payable from, and are secured by a charge and lien on, the Revenues derived by the City from the Promissory Notes (as such term is defined in the Resolution), but nevertheless Revenues may be expended for other purposes, all in accordance with the Resolution.

The Bonds are not a general indebtedness of the City or of the State of California but are special obligations of the City, and are payable, both as to principal and interest, and as to any premiums upon the redemption thereof, out of the Revenues and from any other funds legally available therefor. Neither the faith and credit nor the taxing power of the City is pledged to the payment of the principal of or interest on this Bond. No holder of this Bond shall ever have the right to compel any

exercise of any taxing power of the City or of the State of California to pay this Bond or the interest thereon.

All Bonds are subject to redemption prior to their respective stated maturities, without premium, under the circumstances and upon the terms and conditions set forth in the Resolution, from moneys in the Redemption Fund provided for in the Resolution, at the principal amount thereof and accrued interest thereon to the date of redemption.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Resolution, interest shall cease to accrue hereon from and after the date fixed for redemption, and coupons for such interest subsequently maturing shall be void.

The Bonds are issuable as coupon Bonds in the denomination of $5,000, and as fully registered Bonds without coupons in denominations of $5,000 and any authorized multiple thereof. Coupon Bonds and fully registered Bonds are exchangeable upon the terms and conditions of, and upon payment of the charges, if any, provided in the Resolution.

This Bond is negotiable and transferable by delivery, and the City and the Trustee may treat the bearer hereof, or the bearer of any coupon appertaining hereto, as the absolute owner hereof or of such coupon, as the case may be, for all purposes, whether or not this Bond or such coupon shall be overdue, and the City and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the City and of the holders and registered owners of the Bonds may be modified or amended at any time in the manner, to the extent, and upon the terms provided in the Resolution, provided that no such modification or amendment shall (i) extend the fixed maturity of any Bond, or reduce the principal amount thereof, or reduce the rate of interest (subject to the interest adjustment on Bonds maturing October 1, 1992 through October 1, 2001, as provided in the Resolution) thereon or extend the time of payment of interest thereon, without the consent of the holder of each Bond so affected, or (ii) reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, without the consent of the holders of all of the Bonds then outstanding, or (iii) without its written consent thereto, modify any of the rights or obligations of the Trustee.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of this Bond, do exist, have happened and have been performed in due time, form and manner as required by law, that the Bonds are issued pursuant to the Act, and that the amount of this Bond, together with all other obligations of the City, does not exceed any limit prescribed by the Resolution, the Charter of the City or the statutes of the State of California.

Neither this Bond nor any coupons appertaining hereto shall be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been signed by the Trustee.

SECTION 13.05. Execution of 1981 Bonds. All of the 1981 Bonds shall be executed in the name and on behalf of the City and under its seal, with the manual or facsimile signature of the Mayor of the City and the manual or facsimile countersignature of the Clerk of the Board. The seal of the City may be impressed or reproduced by facsimile on the 1981 Bonds.

Also, any 1981 Bond may be signed and sealed on behalf of the City by such person as at the actual date of execution of such 1981 Bond shall be the Mayor or the Clerk of the Board, as the case may be, although on the date borne by such 1981 Bond such person shall not have been such official.

Prior to the delivery of any coupon 1981 Bond, all coupons thereon then matured shall be detached and cancelled by the Treasurer or by the Trustee and delivered to or upon the order of the City.

SECTION 13.06. Transfer of Coupon 1981 Bonds. All coupon 1981 Bonds shall be negotiable and transferable by delivery. The City, the Trustee and any Paying Agent may treat the bearer of any coupon 1981 Bond, whether or not such 1981 Bond shall be overdue, and the bearer of any coupon, whether or not such coupon shall be overdue, as the absolute owner of such 1981 Bond or coupon for the purpose of receiving payment thereof and for all other purposes whatsoever, and the City, the Trustee and any Paying Agent shall not be affected by any notice to the contrary.

SECTION 13.07. Transfer of Fully Registered 1981 Bonds. Any fully registered 1981 Bond without coupons may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such fully registered 1981 Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee.

Whenever any 1981 Bond shall be issued under this Resolution as a fully registered 1981 Bond without coupons, there shall be reserved by the Trustee unissued an aggregate

principal amount of coupon 1981 Bonds, of the same maturity and of the denomination of $5,000, equal to the principal amount of such fully registered 1981 Bond, and in such case the serial number or numbers of the coupon 1981 Bond or Bonds so reserved, together with an appropriate statement as to such reservation, shall be endorsed on such fully registered 1981 Bond.

Whenever any fully registered 1981 Bond or Bonds without coupons shall be surrendered for transfer, the City shall execute and the Trustee shall authenticate and deliver a new fully registered 1981 Bond or Bonds without coupons, of the same maturity and for a like aggregate principal amount, which shall have endorsed thereon the same coupon 1981 Bond serial number or numbers, if any, so reserved. The Trustee shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfers of fully registered 1981 Bonds shall be required to be made during the fifteen days next preceding each interest payment date.

SECTION 13.08. Exchange of 1981 Bonds. Fully registered 1981 Bonds without coupons may be exchanged at the principal office of the Trustee in San Francisco, California, for a like aggregate principal amount of coupon 1981 Bonds of the same maturity (or for a like aggregate principal amount of fully registered 1981 Bonds of other authorized

denominations of the same maturity), and coupon 1981 Bonds may be exchanged at said office of the Trustee for a like aggregate principal amount of fully registered 1981 Bonds of authorized denominations of the same maturity. All coupon 1981 Bonds surrendered for exchange and delivered in exchange shall have attached thereto all unmatured coupons appertaining thereto (and any matured coupons in default). The Trustee shall preserve coupon 1981 Bonds surrendered to it for exchange, and may subsequently reissue said coupon 1981 Bonds in exchange for a like aggregate principal amount of fully registered 1981 Bonds, as hereinabove provided, after detaching all matured interest coupons appertaining thereto. No charge shall be made to any holder of 1981 Bonds upon the exchange of such 1981 Bonds, except that the Trustee shall require the payment by the Bondholders requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. No such exchange shall be required to be made during the fifteen days next preceding each interest payment date. Any 1981 Bonds issued in exchange for other 1981 Bonds purusuant to this Section 13.08 shall bear the same special legends that appeared on the 1981 Bond surrendered for such exchange.

SECTION 13.09. Temporary 1981 Bonds. Any 1981 Bonds may be initially issued in termporary form exchangeable for definitive 1981 Bonds when ready for delivery. The temporary 1981 Bonds may be printed, lithographed or

typewritten, shall be of such denominations as may be determined by the City, shall be without coupons and may contain such reference to any of the provisions of this Resolution as may be appropriate. The temporary 1981 Bonds may be in the form of a single registered 1981 Bond payable in installments, each on the date, in the amount and at the rate of interest established in Section 13.03 for 1981 Bonds maturing on such date. Every temporary 1981 Bond shall be executed by the City and be authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive fully registered 1981 Bonds without coupons, provided, however, that such temporary 1981 Bond may be a single 1981 Bond having more than one maturity amount and date. If the City issues temporary 1981 Bonds, it will execute and furnish definitive 1981 Bonds without delay and thereupon the temporary 1981 Bonds may be surrendered, for cancellation, in exchange therefor at the principal office of the Trustee in San Francisco, California, and the Trustee shall deliver in exchange for such temporary 1981 Bonds an equal aggregate principal amount of definitive coupon 1981 Bonds or definitive fully registered 1981 Bonds without coupons of authorized denominations. Until so exchanged, the temporary 1981 Bonds shall be entitled to the same benefits under this Resolution as definitive 1981 Bonds delivered hereunder.

SECTION 13.10. Issuance and Authentication of 1981 Bonds. At any time after the adoption of this Resolution, the City may execute and the Trustee may authenticate and deliver 1981 Bonds in the aggregate principal amount of not to exceed Five Million Four Hundred Thousand Dollars ($5,400,000).

SECTION 13.11. Application of Proceeds of 1981 Bonds. The proceeds received by the City from the sale of the 1981 Bonds shall be deposited with the Trustee, who shall, with appropriate proration in all funds, forthwith set aside such proceeds in the following respective funds:

(a) The Trustee shall set aside in the Interest Fund (established pursuant to Section 5.03) any accrued interest received upon the sale of the 1981 Bonds.

(c) The Trustee shall set aside in the Delinquency Reserve Fund (established pursuant to Section 5.03) the sum of fifty thousand dollars ($50,000).

(d) The Trustee shall set aside in the Operation and Expense Fund (established pursuant to Section 5.03) an amount equal to the estimated Operation Costs and Expenses as set forth in the budget provided for in Section 5.03 for the period commencing with the date of

delivery of the 1981 Bonds and ending June 30, 1982, not heretofore deposited or provided for.

(e) The Trustee shall set aside the remainder of said proceeds in the "City and County of San Francisco Residential Rehabilitation Mortgage Fund" in a separate account thereof entitled (and the Master Resolution is hereby amended to incorporate this title) the "1981 Residential Rehabilitation Revenue Bonds Mortgage Acquisition Account" (herein called the "Mortgage Acquisition Account"), which the Trustee shall establish and maintain.

SECTION 13.12. Use of Proceeds of 1981 Bonds. The proceeds of the 1981 Bonds shall be used for property owner loans exclusively in the North of Market designated Rehabilitation Assistance Program area. At least ninety percent (90%) of the amount of each loan shall be used for the financing of complete living facilities which are to be used on other than a transient basis by one or more persons and facilities functionally related and subordinate thereto. Such complete living facilities shall include facilities for living, sleeping, eating, cooking and sanitation. A dwelling unit shall be deemed to be used on a nontransient basis if the term of the tenancy is one month or longer or if the tenant has resided in the unit for more than thirty days. Upon such receipt, the Trustee shall thereupon transfer any remaining balance in the Mortgage Acquisition Account to the Redemption Fund established pursuant to Section 5.04, all in accordance with Section 3.03.

SECTION 13.13. No Arbitrage. The City hereby covenants with the holders of all 1981 Bonds at any time outstanding that it will make no use of the proceeds of any of the 1981 Bonds or any other funds of the City which will cause such 1981 Bonds to be "arbitrage bonds" subject to federal income taxation by reason of Section 103(c) of the Internal Revenue Code of 1954, as amended. To that end, so long as any of the 1981 Bonds are outstanding, the City, the Trustee, any Paying Agents, the Treasurer and all other officers having custody or control of such proceeds or other funds shall comply with all requirements of said Section 103(c) and all regulations of the United States Department of the Treasury issued thereunder, to the extent that requirements are, at the time, applicable and in effect.

SECTION 13.14. Order to Sell 1981 Bonds. Bidders must specify the rate or rates of interest which the bonds shall bear. Bidders will be permitted to bid different rates of interest provided that: (i) the difference between the lowest and highest rates specified in any bid shall not exceed 1-1/2% per annum; (ii) each interest payment shall be represented by a single coupon and supplemental coupons will not be permitted; (iii) each bond must bear a single rate of interest payable from its date to its stated maturity date at the interest rate specified in the bid; (iv) each interest rate specified must be in a multiple of 1/8 or 1/20 of 1% per

annum and a zero rate of interest must not be specified; (v) no bid will be accepted which provides for the cancellation or surrender of any interest coupon or the waiver of any interest on any of the bonds or other concession by the bidder as a substitute for payment in full of the purchase price (including premium); and (vi) all bonds of the same maturity must bear the same rate of interest. Bids which do not conform to the terms of this paragraph will be rejected. Should an interest rate be specified which results in annual interest payments not being equally divisible between the semiannual coupons in cents, the first semiannual coupon will be reduced to the next lower cent, the second semiannual coupon will be raised to the next higher cent and all subsequent coupons for interest at that rate will alternate between the lower and higher figures.

MATURITY: The bonds mature in consecutive numerical order from lower to higher, on October 1, in the following years and in the following amounts:

Year	Principal Amount	Year	Principal Amount
1983	$105,000	1992	$230,000
1984	100,000	1993	260,000
1985	125,000	1994	290,000
1986	140,000	1995	235,000
1987	160,000	1996	360,000
1988	175,000	1997	400,000
1989	195,000	1998	450,000
1990	220,000	1999	500,000
1991	245,000	2000	555,000
		2001	565,000

REDEMPTION: All bonds are subject to redemption prior to their respective stated maturities, without premium, by the City, as a whole or in part, on any interest payment date, at par and accrued interest to the date of redemption, upon the terms and conditions of, and as provided for in, the Resolution.

PAYMENT: Both principal and interest are payable in lawful money of the United States of America, at the principal office of the Trustee, Bank of America National Trust and Savings Association in San Francisco, California.

REGISTRATION: Coupon bonds may be exchanged for a like aggregate principal amount of fully registered bonds of authorized denominations of the same maturity, and fully registered bonds may be exchanged for a like aggregate principal amount of coupon bonds (or for a like aggregate principal amount of fully registered bonds of other authorized denominations) of the same maturity. There will be no charge for the first exchange of any definitive bond in the form in which it is originally issued.

PURPOSE: The bonds are to be issued to make long-term, low-interest loans to finance residential rehabilitation exclusively in the North of Market designated Rehabilitation Assistance Program area in order to encourage the upgrading of properties in the area.

SECURITY: The bonds are secured by a first and exclusive pledge of the Revenues (as defined in the Resolution). Bidders are referred to the Resolution for further particulars.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds (a) the income received by any private holder from bonds of the same type and character shall be declared to be taxable (either at the time of such declaration or at any future date) under any federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse tax effect on holders of the bonds as such, the successful bidder may, at his option, prior to the tender of the bonds by the City, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Orrick, Herrington & Sutcliffe, A Professional Corporation, of San Francisco, California, approving the validity of the bonds, will be furnished to the successful bidder without charge. A copy of the legal opinion certified by the official in whose office the original is filed, will be printed on each bond without charge to the purchaser.

AGREEMENT TO BID: Bank of America National Trust and Savings Association has agreed to submit a bid for the bonds at a rate equal to the current prevailing market rate for nationally traded "A" or equivalently rated ten-year general obligation tax-exempt securities.

TERMS OF SALE

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale and for not less than par value thereof and accrued interest (excluding interest coupons as to which the interest rate or rates have yet to be specified) to date of delivery. Each bid, together with bidder's check, must be enclosed in a sealed envelope addressed to the City and County of San Francisco, c/o Clerk of the Board of Supervisors of the City and County of San Francisco, at the address above mentioned and endorsed "Proposal for Purchase of City and County of San Francisco 1981 Residential Rehabilitation Revenue Bonds."

HIGHEST BID: The bonds will be awarded to the highest responsible bidder, considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the City would be required to pay from the date of the bonds to their maturity dates at the coupon rate or rates specified in the bid (excluding interest coupons as to which the interest rate or rates have yet to be specified), and the award will be made on the basis of the lowest net interest cost to the City. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. All interest will be computed on a 360-day year basis. The cost of printing the bonds will be borne by the City.

RIGHT OF REJECTION: The City reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: Subject to the above conditions of sale, the City will take action awarding the bonds or rejecting all bids not later than 7 days after the expiration of the time herein prescribed for the receipt of proposals, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

DELIVERY AND PAYMENT: Delivery of the bonds will be made to the successful bidder at the principal office of the Trustee, Bank of America National Trust and Savings Association, in San Francisco, California, as soon as the bonds can be prepared, which the City estimates will be within 30 days from the date of sale. Payment for the bonds must be made in funds immediately available to the City in San Francisco, California.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the City shall fail to execute the bonds and tender the same for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

BID CHECK: With each bid must be submitted a certified check or cashier's check for $100,000 drawn on a bank or trust company transacting business in the State of California,

BOARD OF SUPERVISORS

payable to the order of the City to secure the City from any loss resulting from the failure of the bidder to comply with the terms of his bid. Checks of the unsuccessful bidders will be returned by the City by mail upon the award of the bonds. No interest will be paid upon the deposit made by any bidder.

ESTIMATE OF NET INTEREST COST: Bidders are requested, but not required, to supply an estimate of the total net interest cost to the City on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the City.

NO LITIGATION: There is no litigation pending concerning the validity of the bonds, the corporate existence of the City or the title of the officers thereof to their respective offices, and the City will furnish to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

SUMMARY OF FINANCIAL INFORMATION: The City has caused a summary of financial information to be prepared, copies of which may be obtained at the office of the City's Financing Consultant, Blyth Eastman Paine Webber Incorporated, 555 California Street, San Francisco, California 94104, Attention: Municipal Finance Department.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on said bonds but neither the failure to print such number on any bond nor any error with respect

thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for said bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on said bonds shall be paid for by the issuer.

RESOLVED, That the authorization, form and execution of the City and County of San Francisco 1981 Residential Rehabilitation Revenue Bonds shall be as follows:

ARTICLE XIII

AUTHORIZATION, FORM AND EXECUTION OF 1981 BONDS

SECTION 13.01. Due Authorization. This Board has reviewed all proceedings heretofore taken relative to the authorization of the 1981 Bonds and has found, as a result of such review, and does hereby find and determine that each and all of the matters hereinabove recited are true and correct, and the City has duly and regularly complied with all applicable provisions of law and is duly authorized by law to issue revenue bonds in the manner and upon the terms in this Resolution provided.

SECTION 13.02. Authorization. Bonds of the City, payable as to both principal and interest from Revenues as hereinafter provided, to be known as the "City and County of San Francisco 1981 Residential Rehabilitation Revenue Bonds," limited to the aggregate principal amount of five million four hundred thousand dollars ($5,400,000), are hereby authorized to be issued by the City under and subject to the terms of this Resolution.

SECTION 13.03. Terms of Bonds. The 1981 Bonds shall be dated December 1, 1981, and shall bear interest at

such rate or rates, determined as provided in the next paragraph, payable semiannually on December 1 and June 1 of each year. The 1981 Bonds shall mature on December 1 in each year as set forth in the following schedule or as such maturity schedule may be changed pursuant to Section 3.14.

1984	85,000	1993	255,000
1985	120,000	1994	290,000
1986	135,000	1995	325,000

1991	240,000	2000	570,000
		2001	635,000

Both the principal of and interest on the 1981 Bonds shall be payable in lawful money of the United States of America at the principal office of the Trustee in the City and County of San Francisco, State of California.

1981 Bonds maturing on or prior to December 1, 1991, shall bear interest at the rate designated by the Board at the time of the sale of the 1981 Bonds. 1981 Bonds maturing on December 1, 1992, through December 1, 2001, both inclusive, shall bear interest at the rate designated by the Board at the time of the sale of the 1981 Bonds from their date through December 1, 1991, and, from December 1, 1991, through December 1, 2001, such 1981 Bonds shall bear interest at the rate determined on or prior to December 1, 1991, to be

the current prevailing market rate for nationally traded "A" or equivalently rated ten-year general obligation tax-exempt securities. The Trustee in establishing such rate shall on November 1, 1991, obtain quotations from each of three national investment dealers or banks having a capital (exclusive of borrowed capital) and a surplus of not less than $100,000,000. The Trustee shall select the middle rate if there are three quotations or the rate upon which any two or more of such dealers or banks agree and shall immediately notify in writing any registered holder of the 1981 Bonds of the rate selected. At the option of the bondholder, coupons maturing on and after June 1, 1992, may be exchanged for coupons bearing such rate so established. Additional notification of such option shall be included by the Trustee with the payment of the coupons maturing December 1, 1991.

The 1981 Bonds may be issued as coupon 1981 Bonds in the denomination of $5,000 or as fully registered 1981 Bonds without coupons in the denominations of $5,000 or any authorized multiple of $5,000. The coupon 1981 Bonds shall be numbered C1 to C1080, inclusive, in consecutive numerical order from lower to higher, and shall bear interest from December 1, 1981. The interest coupons attached thereto shall be numbered in consecutive numerical order from 1 up in the order of their respective maturities. Each such coupon shall represent six months' interest on the coupon 1981 Bond to which it is attached.

Each fully registered 1981 Bond shall bear interest from the interest payment date next preceding the date of authentication and registration thereof unless it is authenticated and registered as of an interest payment date, in which event it shall bear interest from the date thereof, or unless it is authenticated and registered prior to June 1, 1982, in which event it shall bear interest from December 1, 1981; provided, however, that if, at the time of authentication and registration of any fully registered 1981 Bonds, interest is in default on outstanding 1981 Bonds, such fully registered 1981 Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the outstanding 1981 Bonds. Payment of the interest on any fully registered 1981 Bond shall be made to the person appearing on the bond registration books of the Trustee as the registered owner thereof, such interest to be paid by check or draft mailed to the registered owner at his address as it appears on such registration books or at such address as he may have filed with the Trustee for that purpose.

The 1981 Bonds shall be subject to redemption as provided in Article IV and Section 5.04 of the Resolution.

The Board hereby directs that there shall be included in each of the 1981 Bonds a certification and recital that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in

the issuance of said 1981 Bond, do exist, have happened and have been performed in due time, form and manner as required by law, that the 1981 Bonds are issued pursuant to the Act, and that the amount of said 1981 Bonds, together with all other obligations of the City does not exceed any limit prescribed by this Resolution, the Charter of the City or statutes of the State of California, and such certification and recital shall be in substantially the form set forth in the forms of Bonds prescribed in Section 2.03. From and after the issuance of the 1981 Bonds the findings and determinations of the Board respecting the 1981 Bonds shall be conclusive evidence of the existence of the facts so found and determined in any action or proceeding in any court in which the validity of the 1981 Bonds is at issue and no bona fide purchaser of any 1981 Bond containing the foregoing certification and recital shall be required to see to the existence of any fact, or to the performance of any condition, or the taking of any proceeding, required prior to such issue, or to the application of the purchase price paid for the 1981 Bonds. The 1981 Bonds shall be deemed to be issued, within the meaning of this Resolution, whenever the definitive 1981 Bonds, or any temporary 1981 Bonds exchangeable therefor, have been delivered to the purchasers thereof, and the purchase price thereof received, or in the case of 1981 Bonds to be refunded through exchange, whenever such exchange has been made.

SECTION 13.04. Form of Bonds. (a) The coupon 1981 Bonds, the interest coupons to be attached thereto and the form of Trustee's certificate of authentication to appear thereon shall be in substantially the following forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution:

CITY AND COUNTY OF SAN FRANCISCO

1981 RESIDENTIAL REHABILITATION

REVENUE BOND

CITY AND COUNTY OF SAN FRANCISCO, a chartered city and county duly organized and existing under and pursuant to the Constitution and laws of the State of California (herein called the "City"), for value received, hereby promises to pay (but only out of the Revenues hereinafter referred to) to the bearer hereof, on December 1, ____ (subject to any right of prior redemption hereinafter mentioned), the principal sum of Five Thousand Dollars ($5,000), together with interest thereon from the date hereof until the principal hereof shall be been paid, at the rate of _____ per cent (_____%) per annum, payable semiannually

on December 1 and June 1 in each year. [On Bonds maturing from December 1, 1992 to December 1, 2001, continue with the following: ", until December 1, 1991, from which date the rate of interest payable on the outstanding principal shall be a rate determined as set forth in the Resolution."] Interest due on or before maturity of this Bond shall be payable only upon presentation and surrender of the annexed interest coupons as they severally become due. Both the principal hereof and interest hereon are payable in lawful money of the United States of America at the principal corporate trust office of Bank of America National Trust and Savings Association, the Trustee for the City, in San Francisco, California.

This Bond is one of a duly authorized issue of City and County of San Francisco 1981 Residential Rehabilitation Revenue Bonds (herein called the "Bonds") of an aggregate principal amount of Five Million Four Hundred Thousand Dollars ($5,400,000), all of like tenor and date (except for such variations as may be required to designate varying numbers, maturities, interest rates or redemption provisions), all issued and to be issued pursuant to the provisions of the laws of the State of California, including the Marks-Foran Residential Rehabilitation Act of 1973, as amended (herein called the "Act"), and pursuant to Resolution No. 832-76, as supplemented, adopted by the Board of Supervisors of the City on December 25, 1976 (herein called

the "Resolution"). Reference is hereby made to the Resolution, to any resolutions supplemental thereto and to the Act for a description of the terms on which the Bonds are issued and to be issued, the provisions with regard to the nature and extent of the Revenues, as that term is defined in the Resolution, and the rights of the holders and registered owners of the Bonds and of the bearers of the appurtenant coupons; and all the terms of the Resolution and the Act are hereby incorporated herein and constitute a contract between the City and the holder from time to time of this Bonds, and to all the provisions thereof the holder of this Bond, by his acceptance hereof, consents and agrees.

The Bonds and the interest thereon (to the extent set forth in the Resolution) are payable from, and are secured by a charge and lien on, the Revenues derived by the City from the Promissory Notes (as such term is defined in the Resolution), but nevertheless Revenues may be expended for other purposes, all in accordance with the Resolution.

The Bonds are not a general indebtedness of the City or of the State of California but are special obligations of the City, and are payable, both as to principal and interest, and as to any premiums upon the redemption thereof, out of the Revenues and from any other funds legally available therefor. Neither the faith and credit nor the taxing power of the City is pledged to the payment of the principal of or interest on this Bond. No

holder of this Bond shall ever have the right to compel any exercise of any taxing power of the City or of the State of California to pay this Bond or the interest thereon.

All Bonds are subject to redemption prior to their respective stated maturities, without premium, under the circumstances and upon the terms and conditions set forth in the Resolution, from moneys in the Redemption Fund provided for in the Resolution, at the principal amount thereof and accrued interest thereon to the date of redemption.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Resolution, interest shall cease to accrue hereon from and after the date fixed for redemption, and coupons for such interest subsequently maturing shall be void.

The Bonds are issuable as coupon Bonds in the denomination of $5,000, and as fully registered Bonds without coupons in denominations of $5,000 and any authorized multiple thereof. Coupon Bonds and fully registered Bonds are exchangeable upon the terms and conditions of, and upon payment of the charges, if any, provided in the Resolution.

This Bond is negotiable and transferable by delivery, and the City and the Trustee may treat the bearer hereof, or the bearer of any coupon appertaining hereto, as the absolute owner hereof or of such coupon, as the case may be, for all purposes, whether or not this Bond or such coupon

shall be overdue, and the City and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the City and of the holders and registered owners of the Bonds may be modified or amended at any time in the manner, to the extent, and upon the terms provided in the Resolution, provided that no such modification or amendment shall (i) extend the fixed maturity of any Bond, or reduce the principal amount thereof, or reduce the rate of interest (subject to the interest adjustment on Bonds maturing December 1, 1992 through December 1, 2001, as provided in the Resolution) thereon or extend the time of payment of interest thereon, without the consent of the holder of each Bond so affected, or (ii) reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, without the consent of the holders of all of the Bonds then outstanding, or (iii) without its written consent thereto, modify any of the rights or obligations of the Trustee.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of this Bond, do exist, have happened and have been performed in due time, form and manner as required by law, that the Bonds are issued pursuant to the Act, and that the amount of this Bond, together with all other obligations of the City, does not

exceed any limit prescribed by the Resolution, the Charter of the City or the statutes of the State of California.

Neither this Bond nor any coupons appertaining hereto shall be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been signed by the Trustee.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of this Bond, do exist, have happened and have been performed in due time, form and manner as required by law, that the Bonds are issued pursuant to the Act, and that the amount of this Bond, together with all other obligations of the City, does not exceed any limit prescribed by the Resolution, the Charter of the City or statutes of the State of California.

SECTION 13.05. Execution of 1981 Bonds. All of the 1981 Bonds shall be executed in the name and on behalf of the City and under its seal, with the manual or facsimile signature of the Mayor of the City and the manual or facsimile countersignature of the Clerk of the Board. The seal of the City may be impressed or reproduced by facsimile on the 1981 Bonds.

The coupons to be attached to the coupon 1981 Bonds shall bear the facsimile signature of the Treasurer, and for that purpose the City may adopt and use the facsimile signature of any person who shall have been such Treasurer, notwithstanding the fact that he or she may have ceased to hold such office at the time when any of the 1981 Bonds shall be authenticated, delivered or issued.

In case any such officer whose signature or countersignature appears on the 1981 Bonds shall cease to be such officer before the Bonds so signed shall have been authenticated or delivered, such signature or countersignature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until the delivery of the 1981 Bonds, and such 1981 Bonds shall be issued and outstanding hereunder and shall be as binding upon the City as though the person who signed such 1981 Bonds had been such official on the date borne by the 1981 Bonds and on the date of delivery. Also, any 1981 Bond may be signed and sealed on behalf of the City by such person as at the actual date of execution of such 1981 Bond shall be the Mayor or the Clerk of the Board, as the case may be, although on the date borne by such 1981 Bond such person shall not have been such official.

Only such of the 1981 Bonds as shall bear thereon a certificate of authentication or certificate of authentication and registration in the respective forms hereinbefore recited, executed by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Trustee shall be conclusive evidence that the 1981 Bonds so authenticated or authenticated and registered have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

Prior to the delivery of any coupon 1981 Bond, all coupons thereon then matured shall be detached and cancelled by the Treasurer or by the Trustee and delivered to or upon the order of the City.

SECTION 13.06. Transfer of Coupon 1981 Bonds. All coupon 1981 Bonds shall be negotiable and transferable by delivery. The City, the Trustee and any Paying Agent may treat the bearer of any coupon 1981 Bond, whether or not such 1981 Bond shall be overdue, and the bearer of any coupon, whether or not such coupon shall be overdue, as the absolute owner of such 1981 Bond or coupon for the purpose of receiving payment thereof and for all other purposes whatsoever, and the City, the Trustee and any Paying Agent shall not be affected by any notice to the contrary.

SECTION 13.07. Transfer of Fully Registered 1981 Bonds. Any fully registered 1981 Bond without coupons may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such fully registered 1981 Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee.

Whenever any 1981 Bond shall be issued under this Resolution as a fully registered 1981 Bond without coupons, there shall be reserved by the Trustee unissued an aggregate

principal amount of coupon 1981 Bonds, of the same maturity and of the denomination of $5,000, equal to the principal amount of such fully registered 1981 Bond, and in such case the serial number or numbers of the coupon 1981 Bond or Bonds so reserved, together with an appropriate statement as to such reservation, shall be endorsed on such fully registered 1981 Bond.

Whenever any fully registered 1981 Bond or Bonds without coupons shall be surrendered for transfer, the City shall execute and the Trustee shall authenticate and deliver a new fully registered 1981 Bond or Bonds without coupons, of the same maturity and for a like aggregate principal amount, which shall have endorsed thereon the same coupon 1981 Bond serial number or numbers, if any, so reserved. The Trustee shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfers of fully registered 1981 Bonds shall be required to be made during the fifteen days next preceding each interest payment date.

SECTION 13.08. Exchange of 1981 Bonds. Fully registered 1981 Bonds without coupons may be exchanged at the principal corporate trust office of the Trustee in San Francisco, California, for a like aggregate principal amount of coupon 1981 Bonds of the same maturity (or for a like aggregate principal amount of fully registered 1981 Bonds of

other authorized denominations of the same maturity), and coupon 1981 Bonds may be exchanged at said office of the Trustee for a like aggregate principal amount of fully registered 1981 Bonds of authorized denominations of the same maturity. All coupon 1981 Bonds surrendered for exchange and delivered in exchange shall have attached thereto all unmatured coupons appertaining thereto (and any matured coupons in default). The Trustee shall preserve coupon 1981 Bonds surrendered to it for exchange, and may subsequently reissue said coupon 1981 Bonds in exchange for a like aggregate principal amount of fully registered 1981 Bonds, as hereinabove provided, after detaching all matured interest coupons appertaining thereto. No charge shall be made to any holder of 1981 Bonds upon the exchange of such 1981 Bonds, except that the Trustee shall require the payment by the Bondholders requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. No such exchange shall be required to be made during the fifteen days next preceding each interest payment date. Any 1981 Bonds issued in exchange for other 1981 Bonds purusuant to this Section 13.08 shall bear the same special legends that appeared on the 1981 Bond surrendered for such exchange.

SECTION 13.09. Temporary 1981 Bonds. Any 1981 Bonds may be initially issued in termporary form exchangeable for definitive 1981 Bonds when ready for delivery. The

temporary 1981 Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the City, shall be without coupons and may contain such reference to any of the provisions of this Resolution as may be appropriate. The temporary 1981 Bonds may be in the form of a single registered 1981 Bond payable in installments, each on the date, in the amount and at the rate of interest established in Section 13.03 for 1981 Bonds maturing on such date. Every temporary 1981 Bond shall be executed by the City and be authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive fully registered 1981 Bonds without coupons, provided, however, that such temporary 1981 Bond may be a single 1981 Bond having more than one maturity amount and date. If the City issues temporary 1981 Bonds, it will execute and furnish definitive 1981 Bonds without delay and thereupon the temporary 1981 Bonds may be surrendered, for cancellation, in exchange therefor at the principal corporate trust office of the Trustee in San Francisco, California, and the Trustee shall deliver in exchange for such temporary 1981 Bonds an equal aggregate principal amount of definitive coupon 1981 Bonds or definitive fully registered 1981 Bonds without coupons of authorized denominations. Until so exchanged, the temporary 1981 Bonds shall be entitled to the same benefits under this Resolution as definitive 1981 Bonds delivered hereunder.

SECTION 13.10. Issuance and Authentication of 1981 Bonds. At any time after the adoption of this Resolution, the City may execute and the Trustee may authenticate and deliver 1981 Bonds in the aggregate principal amount of not to exceed Five Million Four Hundred Thousand Dollars ($5,400,000).

SECTION 13.11. Application of Proceeds of 1981 Bonds. The proceeds received by the City from the sale of the 1981 Bonds shall be deposited with the Trustee, who shall, with appropriate proration in all funds, forthwith set aside such proceeds in the following respective funds:

(a) The Trustee shall set aside in the Interest Fund (established pursuant to Section 5.03) any accrued interest received upon the sale of the 1981 Bonds.

(b) The Trustee shall set aside in the Reserve Fund (established pursuant to Section 5.03) the sum of six hundred fifty thousand dollars ($650,000) or such amount as may be established pursuant to Section 3.14.

(c) The Trustee shall set aside in the Delinquency Reserve Fund (established pursuant to Section 5.03) the sum of fifty thousand dollars ($50,000) or such amount as may be established pursuant to Section 3.14.

(d) The Trustee shall set aside in the Operation and Expense Fund (established pursuant to Section 5.03) an amount equal to the estimated Operation Costs and Expenses as set forth in the budget provided for in

Section 5.03 for the period commencing with the date of delivery of the 1981 Bonds and ending June 30, 1982, not heretofore deposited or provided for.

(e) The Trustee shall set aside the remainder of said proceeds in the "City and County of San Francisco Residential Rehabilitation Mortgage Fund" in a separate account thereof entitled (and the Master Resolution is hereby amended to incorporate this title) the "1981 Residential Rehabilitation Revenue Bonds Mortgage Acquisition Account" (herein called the "Mortgage Acquisition Account"), which the Trustee shall establish and maintain.

SECTION 13.12. Use of Proceeds of 1981 Bonds. The proceeds of the 1981 Bonds shall be used for property owner loans exclusively in the North of Market designated Rehabilitation Assistance Program area. At least ninety percent (90%) of the amount of each loan shall be used for the financing of complete living facilities which are to be used on other than a transient basis by one or more persons and facilities functionally related and subordinate thereto. Such complete living facilities shall include facilities for living, sleeping, eating, cooking and sanitation. A dwelling unit shall be deemed to be used on a nontransient basis if the term of the tenancy is one month or longer or if the tenant has resided in the unit for more than thirty days. None of the proceeeds of the 1981 Bonds may be used to

refinance existing indebtedness of any participating party as that term is defined in the Act.

On the date three years after the date of delivery of the 1981 Bonds, the City shall file with the Trustee a Certificate of the City stating that all Promissory Notes to be acquired have been acquired and also stating that all incidental expenses of the City payable from Bond proceeds have been determined and paid. Upon such receipt, the Trustee shall thereupon transfer any remaining balance in the Mortgage Acquisition Account to the Redemption Fund established pursuant to Section 5.04, all in accordance with Section 3.03.

SECTION 13.13. No Arbitrage. The City hereby covenants with the holders of all 1981 Bonds at any time outstanding that it will make no use of the proceeds of any of the 1981 Bonds or any other funds of the City which will cause such 1981 Bonds to be "arbitrage bonds" subject to federal income taxation by reason of Section 103(c) of the Internal Revenue Code of 1954, as amended. To that end, so long as any of the 1981 Bonds are outstanding, the City, the Trustee, any Paying Agents, the Treasurer and all other officers having custody or control of such proceeds or other funds shall comply with all requirements of said Section 103(c) and all regulations of the United States Department of the Treasury issued thereunder, to the extent that requirements are, at the time, applicable and in effect.

SECTION 13.14. Order to Sell 1981 Bonds. The Chief Administrative Officer is hereby authorized to establish the sale date for said bonds which shall be on or before December 31, 1981. The Clerk of the Board of Supervisors is hereby authorized and directed to cause a notice of the intention to sell said bonds to be published once at least fifteen days prior to the sale date established by the Chief Administrative Officer in The Wall Street Journal (Pacific Coast Edition), a financial publication generally circulated throughout the State of California, which such notice shall be substantially in the following form with necessary or appropriate variations, omissions and insertions, including the insertion of said sale date, as permitted or required:

(a) The City shall be in compliance with all covenants set forth in this Resolution and in all Supplemental Resolutions theretofore adopted by the Board.

(d) No more than three of said Supplemental Resolutions authorizing the issuance of Additional Bonds (other than refunding bonds) for the purpose of the acquisition of Promissory Notes may be adopted by the Board pursuant to this Resolution.

$5,400,000

CITY AND COUNTY OF SAN FRANCISCO

1981 RESIDENTIAL REHABILITATION REVENUE BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the City and County of San Francisco at the office of the Clerk of the Board of Supervisors of the City and County of San Francisco, City Hall, San Francisco, California 94102, on

_____, _____, 1981 at 11:00 A.M. for the purchase of $5,400,000 principal amount of City and County of San Francisco 1981 Residential Rehabilitation Revenue Bonds (the "bonds"), authorized to be issued under the provisions of a resolution of the Board of Supervisors of the City and County of San Francisco adopted on October 25, 1976, as supplemented, (collectively, the "Resolution") and pursuant to the Marks-Foran Residential Rehabilitation Act of 1973, as amended, (being Part 13 of Division 24 of the Health and Safety Code of the State of California). The bonds are more particularly described in the Resolution (which is incorporated herein by reference) and copies thereof will be furnished to any interested bidder upon request. The bonds hereby offered for sale are generally described as follows:

EXHIBIT A

ISSUE: $5,400,000 consisting of 1,080 coupon bonds of the denomination of $5,000 each, numbered C1 to C1080, inclusive, or in fully registered form without coupons in denominations of $5,000 or multiples thereof, all dated December 1, 1981.

INTEREST RATE: Bonds maturing on or prior to December 1, 1991 shall bear interest at the rate designated by the Board at the time of sale of the bonds. Bonds maturing on December 1, 1992 through December 1, 2001, both inclusive, shall bear interest at the rate designated by the Board at the time of sale of bonds from their date through December 1, 1991, and, from December 1, 1991 through December 1, 2001, such bonds shall bear interest at a rate or rates determined on or prior to December 1, 1992, to be the current prevailing market rate for nationally traded "A" or equivalently rated ten-year general obligation tax-exempt securities, all as provided in Section 13.03 of the Resolution. Bidders must specify the rate or rates of interest which the bonds shall bear. Bidders will be permitted to bid different rates of interest provided that: (i) the difference between the lowest and highest rates specified in any bid shall not exceed 1-1/2% per annum; (ii) each interest payment shall be represented by a single coupon and supplemental coupons will not be permitted; (iii) each bond must bear a single rate of interest payable from its date to its stated maturity date at the interest rate specified in the bid; (iv) each interest rate specified must be in a multiple of 1/8 or 1/20 of 1% per

annum and a zero rate of interest must not be specified; (v) no bid will be accepted which provides for the cancellation or surrender of any interest coupon or the waiver of any interest on any of the bonds or other concession by the bidder as a substitute for payment in full of the purchase price (including premium); and (vi) all bonds of the same maturity must bear the same rate of interest. Bids which do not conform to the terms of this paragraph will be rejected. Should an interest rate be specified which results in annual interest payments not being equally divisible between the semiannual coupons in cents, the first semiannual coupon will be reduced to the next lower cent, the second semiannual coupon will be raised to the next higher cent and all subsequent coupons for interest at that rate will alternate between the lower and higher figures.

MATURITY: The bonds mature in consecutive numerical order from lower to higher, on December 1, in the following years and in the following amounts:

Year	Principal Amount	Year	Principal Amount
1983	$ 60,000	1992	$230,000
1984	85,000	1993	255,000
1985	120,000	1994	290,000
1986	135,000	1995	325,000
1987	155,000	1996	360,000
1988	170,000	1997	405,000
1989	190,000	1998	455,000
1990	210,000	1999	510,000
1991	240,000	2000	570,000
		2001	635,000

REDEMPTION: All bonds are subject to redemption prior to their respective stated maturities, without premium, by the City, as a whole or in part, on any interest payment date, at par and accrued interest to the date of redemption, upon the terms and conditions of, and as provided for in, the Resolution.

PAYMENT: Both principal and interest are payable in lawful money of the United States of America, at the principal corporate trust office of the Trustee, Bank of America National Trust and Savings Association in San Francisco, California.

REGISTRATION: Coupon bonds may be exchanged for a like aggregate principal amount of fully registered bonds of authorized denominations of the same maturity, and fully registered bonds may be exchanged for a like aggregate principal amount of coupon bonds (or for a like aggregate principal amount of fully registered bonds of other authorized denominations) of the same maturity. There will be no charge for the first exchange of any definitive bond in the form in which it is originally issued.

PURPOSE: The bonds are to be issued to make long-term, low-interest loans to finance residential rehabilitation exclusively in the North of Market designated Rehabilitation Assistance Program area in order to encourage the upgrading of properties in the area.

SECURITY: The bonds are secured by a first and exclusive pledge of the Revenues (as defined in the Resolution). Bidders are referred to the Resolution for further particulars.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds (a) the income received by any private holder from bonds of the same type and character shall be declared to be taxable (either at the time of such declaration or at any future date) under any federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse tax effect on holders of the bonds as such, the successful bidder may, at his option, prior to the tender of the bonds by the City, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Orrick, Herrington & Sutcliffe, A Professional Corporation, of San Francisco, California, approving the validity of the bonds, will be furnished to the successful bidder without charge. A copy of the legal opinion certified by the official in whose office the original is filed, will be printed on each bond without charge to the purchaser.

AGREEMENT TO BID: Bank of America National Trust and Savings Association has agreed to submit a bid for the bonds at a rate equal to the current prevailing market rate for nationally traded "A" or equivalently rated ten-year general obligation tax-exempt securities.

TERMS OF SALE

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale and for not less than par value thereof and accrued interest (excluding interest coupons as to which the interest rate or rates have yet to be specified) to date of delivery. Each bid, together with bidder's check, must be enclosed in a sealed envelope addressed to the City and County of San Francisco, c/o Clerk of the Board of Supervisors of the City and County of San Francisco, at the address above mentioned and endorsed "Proposal for Purchase of City and County of San Francisco 1981 Residential Rehabilitation Revenue Bonds."

HIGHEST BID: The bonds will be awarded to the highest responsible bidder, considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the City would be required to pay from the date of the bonds to their maturity dates at the coupon rate or rates specified in the bid (excluding interest coupons as to which the interest rate or rates have yet to be specified), and the award will be made on the basis of the lowest net interest cost to the City. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. All interest will be computed on a 360-day year basis. The cost of printing the bonds will be borne by the City.

RIGHT OF REJECTION: The City reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: Subject to the above conditions of sale, the City will take action awarding the bonds or rejecting all bids not later than 7 days after the expiration of the time herein prescribed for the receipt of proposals, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

DELIVERY AND PAYMENT: Delivery of the bonds will be made to the successful bidder at the principal corporate trust office of the Trustee, Bank of America National Trust and Savings Association, in San Francisco, California, as soon as the bonds can be prepared, which the City estimates will be within 30 days from the date of sale. Payment for the bonds must be made in funds immediately available to the City in San Francisco, California.

URGING AMENDMENT TO CALIFORNIA VEHICLE CODE ALLOWING LOCAL DISCRETION IN DELEGATING RESPONSIBILITIES TO APPROPRIATE AGENCY TO HANDLE HAZARDOUS MATERIAL SPILLS ON A PUBLIC RIGHT-OF-WAY.

WHEREAS, Primary consideration in hazardous material spills on highways should be to prevent the expansion of the incident and to prevent injury to bystanders and firefighting forces that are involved in direct control of the incident; and

WHEREAS, It is fully realized that law enforcement agencies do not want to become involved in the actual control and containment operations that are required to mitigate the problem; and

WHEREAS, It is further realized that law enforcement is concerned with the movement of traffic in and around a hazardous material spill, especially when it involved a public right-of-way; and

WHEREAS, Incident command responsibility should rest with the agency which has the best capabilities to prevent the expansion of the incident into greater proportions; and

WHEREAS, The Fire Department, or other agency responsible for containment of the spill, must be free to exercise their operating capabilities in a manner that is clearly understood by all partners at the scene; and

WHEREAS, Current law places incident command responsibility for hazardous material spills on highways with the California Highway Patrol; and

WHEREAS, The risk of placing responsibility with a law enforcement agency to make a split-second decision impacting potential spread of the hazardous spill and loss of life and property is not worth chancing; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby urge an amendment to the California State Vehicle Code giving the local governing body authority to delegate management responsibilities to the appropriate agency having the expertise and equipment to contain and control incidents involving hazardous material spills on a public right-of-way; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to her Honor, the Mayor, for transmission to the State Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature, with the request that all necessary action be taken to effectuate legislation to accomplish the above described amendment to the California Vehicle Code.

FINDING THAT PREVENTION AND REDUCTION OF INTRA-FAMILY VIOLENCE AND CHILD ABUSE WILL SIGNIFICANTLY REDUCE THE LEVEL OF CRIME AND VIOLENCE IN SAN FRANCISCO, AND DIRECTING THE APPROPRIATE COMMITTEE OF THIS BOARD OF SUPERVISORS TO HOLD HEARINGS ON THE PROBLEMS OF CHILD ABUSE AND FAMILY VIOLENCE TO DEVELOP EFFECTIVE AND WORKABLE SOLUTIONS TO THESE PROBLEMS.

WHEREAS, Many studies presented in testimony to the Select Committee on Crime and Violence clearly demonstrated that a significant number of persons incarcerated in jail and prisons were abused or neglected as children and/or repeatedly witnessed violence between their parents or other family members, or were raised in a home or institutional environment which tolerated abusive or violent behavior; and

WHEREAS, It can be demonstrated that children growing up in a violent environment tend to be violent themselves as adults; and

WHEREAS, The increase of child abuse and other forms of family violence in San Francisco may tend to portend increasing levels of violent and/or criminal behavior in the City; and

WHEREAS, Steps taken to interrupt the cycle of child abuse and violence within families could well reduce future violent and/or criminal behavior; and

WHEREAS, Such steps should include but not be limited to establishing within the various City agencies and departments, as a coordinated and systemwide effort, priorities relating to the prevention and treatment of cases of intra-family violence and child abuse; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby finds that prevention and reduction of intra-family violence and child abuse will significantly reduce the level of crime and violence in San Francisco; and be it

BOARD OF SUPERVISORS

FILE NO. 377-81-4 RESOLUTION NO. 1048-81

FINDING BY THE BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO THAT ORDINANCE NO. 6-82 RELATING TO SECURITY REQUIREMENTS FOR GROUP H OCCUPANCIES CONTAINS SUCH MODIFICATIONS IN THE REQUIREMENTS ADOPTED PURSUANT TO ORD. 248-75 AMENDED BY ORDINANCE 107-76 AND BY ORDINANCE 346-80, AND ALSO CONTAINS SUCH MODIFICATIONS IN THE REQUIREMENTS ADOPTED PURSUANT TO THE CALIFORNIA ADMINISTRATIVE CODE, TITLE 24 BUILDING STANDARDS PART 2, WHICH ADOPTS THE UNIFORM BUILDING CODE (UBC) BY REFERENCE, AS ARE REASONABLY NECESSARY TO EFFECT ENFORCEMENT AND IMPLEMENTATION OF ORDINANCE 248-75, REQUIRED FOR SECURITY OF RESIDENTIAL UNITS BECAUSE OF LOCAL CONDITIONS.

WHEREAS, The Board of Supervisors has adopted Ordinance No. 6-82 amending the San Francisco Municipal Code relating to security requirements for new and existing residential H Occupancy, and retroactive application thereof; and

WHEREAS, The Board of Supervisors has reviewed the reasons for the differences between Ordinance No. 6-82 and Chapter 41 of security provisions of the Uniform Building Code set forth as follows:

Testing: UBC Standards requires testing of door assemblies to be done by an approved testing agency. This is not immediately possible in San Francisco because of the current lack of qualified testing agencies in the Bay Area able to provide these services immediately after the operative date of the Ordinance. Accordingly, self-certification by a licensed professional for the first two years is permitted under Ordinance No. 6-82 which will provide time for interested testing agencies to acquire the equipment and develop the facility to provide such testing. After a two year period testing will then be required to be done by such an approved agency.

Testing Standards: Uniform Building Code requires conformance with UBC Standards 41-1; Ordinance 6-82 requires compliance with Grade 20 ANSI/ASTM F476-76 which bears close similarity to UBC Standards in part.

Grade 20 (GR.20) is defined as requirements for low-medium security level and is designed to provide security for residential buildings located in average crime rate areas. This level of enforcement was determined to provide adequate safety with an acceptable impact on cost of compliance.

UBC Definitions are taken in good part from ASTM-F476-76. S.F. Definitions are essentially the same but more specific.

The final draft is the culmination of many meetings with the Police Department, The Chamber of Commerce Code Committee, Hotel Employees Association and apartment house owner's groups. In general, their comments, suggestions and proposals have been incorporated where feasible in the final Ordinance.

Because of singularities of/differences and between hotels and apartment houses (condominiums) the Ordinance was written to treat them separately and not to penalize one or the other type by applying the requirements uniformly for H occupancies; and

WHEREAS, The Board of Supervisors finds and determines that these differences are necessary because of local conditions;

WHEREAS, The Board of Supervisors has found and determined Ord. 346-80 should be amended because:

Iron grillwork & grates on sleeping room windows should be equipped with quick-release devices so the occupant may escape in case of fire as outlined in the amendments.

Glazing requirements on glazed openings within 8 ft. of the ground, walkways, ramps, or within 4 ft. horizontally of stairways, walkways, ramps, etc. & in interior unit entry doors should be enforced only upon replacement of the glazing or conversion to condominiums because availability of suitable types of glazing is limited. San Francisco Police Department records indicate that many illegal entries are made through dwelling unit doors, and such protection may hinder Fire Dept. access to a unit in case of fire; and,

WHEREAS, The Board of Supervisors of the City and County of San Francisco adopts Ord. # 6-82 to require new and existing construction in apartment houses and hotels to conform to definitive security standards, consistent with local conditions, the health, safety and welfare of the building occupants, and protection of property owners; now therefore, be it

RESOLVED That the Board of Supervisors finds and determines that the modifications in the requirements adopted pursuant to Ord. 248-75, amended by Ord. 107-76 & 346-80 are reasonably necessary for effective implementation and enforcement and that the subject ordinance itself is reasonably necessary because of local conditions expressly found herein be it

FURTHER RESOLVED That the Clerk of the Board of Supervisors is hereby directed to transmit this Resolution together with Ord. # 6-82 to the California Department of Housing & Community Development for filing pursuant to the applicable provision of the law.
